April 7th or 14th can work for the Commissioners. I suggest scheduling one meeting for 11:00 a.m. and the other at 1:00 p.m. if possible due to other commitments on prior to 11:00 a.m. and after 2:00 p.m.
In the meantime I will proceed with trying to contact both applicants about scheduling a meeting with the commissioners prior to the pre-hearing conference so that hopefully we will not need these meetings.
Thank you.

I gave everyone until the **16th of February** to get the calendars to me for the following 2 months. I am supposed to assign a day after the deadline regardless of if calendars are received, but, as a courtesy, I wanted to reach out to you first. I have already received the applicants' availability and I need the availability for the Commissioners right away or we will chose a day and send the notice. They will be required to be there or the protest could be dismissed. You can try and arrange something in the interim with the applicants and if an agreement is made that will be fine. We can always cancel the conference(s). We will try and make them the same day for both applicants if possible since we drive quite far for these meetings.

These are the dates I am looking at, please pick the ones that are ok for the commissioners:
March 29th through April 1st, April 6th through the 9th , April 14th through 16th and April 22nd & 23rd are what is available. I am hoping to hold one in the morning and the other in the afternoon on the same day.

I will be setting this up in the next couple of days.

Thank you,

Tammy

The Commissioners' asked me to try one more time to contact the applicants to see about scheduling a meeting with each of them with the Board. I'll get back to you as soon as I am able on if that is going to happen or not, and if/when the Commissioners' can be available.

I had hoped that you sending the pre-hearing conference calendars out that I would hear from the applicants to schedule a meeting with the Commissioners. Since that apparently is not going to happen, I will talk with the Commissioners today about their availability.

Hi Kara,

I have the calendars from the both of the applicants for their Pre-hearing Conference availability for 86-12095 Salmeri & 86-12097 Chaffins. I will need them from you for the Commissioners right away. Reminder that it can't be held during one of their meetings.

Thank you,

Tammy
