WE will change Rogers pay to be $75 per day April thru July and the 65$ per day for the months of Aug, Sept and October.

Brian moved that we move the budget and Bret 2nd it.

Ted Tuttle called asking about any water rights that went with his new place.

Roger advised him to call Nathan at Water Resource. Roger however doesn't seem to think there is any. Tom said it was a gentleman agreement with Larry Edwards that he bought the water and would just water the yard for them.

Where creek splits at Rob Cottles there is a need for a major repair on that channel. It was discussed who would pay for it.

Roger suggested a re tracaable dam. Roger did not feel the concrete needed replaced, just needs to put in a dam. Tom suggested 43 c pay a 1/4 , those water users pay ¼ and Flood ½. Meeting should be held with advisory board and water users below. First we should get a cost.

Meeting was adjourned.
