Gentlemen:

We are enclosing on behalf of the Gini Ditch Company, Inc., three Notices of Claim, together with our check for the filing fee in the amount of \$3,065.40. The filing fee includes a \$50.00 flat fee for each claim, and \$1.00 per acre for the 2,915.4 acres.

Previously, we discussed with one of your office personnel the fact that some of the stockholders of the Gini Ditch Company had filed individual claims and that this would need to be adjusted when the time came for the filing on behalf of the company. We think that those who got ahead of themselves include Ray and Gladys Laverty, but there may have been others as well. We might suggest that one way their claims could be handled would be just to return to them their claims which cover the same land and their filing fees. If you prefer to handle this in another manner, please let us know and we will be happy to adjust in any appropriate fashion. Thank you for your assistance with this matter.

Yours very truly,

Kent W. Foster

RE: Notice of Claims on behalf of Gini Ditch Company, Inc.

Dear Steve:

We have now had an opportunity to review the land list and the maps we sent with the claims on behalf of the Gini Ditch Company. We are enclosing three new land lists and three new maps which should be substituted for the originals enclosed with the claims when filed. I believe they now match and are consistent with the information provided by the stockholders of the Gini Ditch Company.

In the meantime, we have reviewed your letter of April 18, 1990, and have contacted the Gini Ditch Company officers for their input as to how they wish to proceed. We will be in touch with you as soon as we have something further.

As always, we appreciate your assistance and consideration.

Yours very truly,

Kent W. Foster

MEMORANDUM

DATE: 08-May-1990

FROM: Allen Merritt

TO: STEVE CLELLAND AND A72-10480, A72-10481 & A72-10482

SUBJECT: MEETING WITH JOHNNE HAMMOND AND KENNETH BRADBURY

THIS DAY I MET WITH THESE REPRESENTATIVES OF THE GINI DITCH TO DISCUSS YOUR 4/18/90 LETTER TO MR. FOSTER. I WENT OVER THE FILE WITH THEM AND WE DISCUSSED THE CONCERNS OF THE OVERLAPS. THEY GAVE ME A LIST OF THE SHAREHOLDERS IN THE COMPANY AND THEY INDICATED THAT THESE PEOPLE WERE THE ONLY POSSIBLE OVERLAPS. WE TALKED ABOUT GETTING AN ACTUAL MAP OF THEIR SYSTEM AND THEY WERE GOING TO WORK ON IT. ADDITIONALLY IN REVIEWING THE CLAIMS THEY INDICATED THAT THE LANDS AND WATER WERE DEVELOPED IN THREE STAGES WHICH WERE DIFFERENTLY REPRESENTED IN THE CLAIMS FILED. THEY WERE GOING TO TALK TO THEIR ATTORNEY TO POSSIBLY FILE AMENDMENTS TO THE CLAIMS. I MADE NOTES ON THE SHAREHOLDERS LIST TO SHOW HOW THEY REPRESENTED HOW THE CLAIMS SHOULD READ. THE STORY THEY TOLD WAS THAT THE ORIGINAL DITCH WAS CONSTRUCTED TO CONVEY 6000 INCHES OF WATER TO THE ORIGINAL LANDS. (BLUE) THE CANAL WAS THEN ENLARGED TO SERVE ADDITIONAL LANDS SHOWN IN ORANGE AND ALSO SERVE ADDITIONAL WATER TO THE ORIGINAL LAND. (ORANGE) LATER ON THE LAVERTY PLACE WAS ADDED TO THE DITCH. (PINK)

IF YOU HAVE QUESTIONS LET ME KNOW.

RE: Evidence of Priority

RESPONSE DEADLINE

MAY 1, 1992

Dear Claimant:

The Notice(s) of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice(s) indicate your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. **The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit.** The Department will soon conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided supporting the priority date you have claimed.**

The Department will not recommend the Notice(s) be decreed by the court as claimed if no evidence of a priority date is submitted.

Please find enclosed a computer printout of your Notice(s) and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date".

Please submit the required evidence supporting the priority date(s) by **May 1, 1992**, referencing all documents with the corresponding Notice number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Respectfully submitted,

Allen Merritt, P.E.

Dear Mr. Merritt:

see
You have requested proof of priority for the Gini Ditch Company Claims Nos. A72-10480, A72-10481 and A72-10482. We have tried to enclose the information available to us with this letter.

By way of background, the Gini Ditch canal system and the acreage served appears to have evolved over a significant period of time. When our office was contacted in 1989, the canal system had been operated and managed for its entire history up to that point with no formal organizational structure. One of our first assignments was to form a formal ditch company to which all claimed water rights and rights of way were conveyed. Then, pursuant to the request of the stockholders, an engineer was hired to measure the capacity of the canal system with its diversion works and all delivery structures. Maps were made of all lands irrigated under the system and we made an effort to document, so far as we could, the historical development of the system.

The tradition among most of the "old-timers" on the system was that it was developed in essentially three major steps. Some could recall what was done about 1950, but we had to rely on old abstract documents for any specifics of the earlier history.

The first of the land now served by the system appears to have been patented in 1896. See, Attachment Nos. 1 and 2. There is some indication that the land was being irrigated at that time. See, Attachment No. 3.
