Dear Mr. Clelland

We are writing this letter to clear up confusion concerning claim number A72-11740 filed with the Department of Water Resources on May 21, 1992.

On May 26, 1983 the Challis Irrigation Company sold shares of water in the Challis Irrigation Company canal to Mark and Brenda Stark to be used on their property located at the end of the canal.

Due to an over site, by all parties involved, a portion of the legal description for Stark's property was left out. Therefor, the ID Department of Water Resources license issued to the Challis Irrigation Company also lacked a portion of Stark's legal description. The Canal Company certificate issued to Mark and Brenda Stark contained the full legal description. The mistake was not found until 1992. When the issue was addressed, the Canal Company filed a claim to solve the problem.

Claim number A72-1174 filed on May 21, 1992 was not a claim to appropriate more water but rather to enlarge the legal description of lands irrigated by the Canal Company.

We hope that this explanation will clear up confusion created by the claim.

Sincerely,

Gary Chamberlain
C.I.C. Vice-President

sm.
