RE: Snake River Basin Adjudication (SRBA)
Bureau of Reclamation Extension
Bingham County

Dear Mr. Hammond:

Thank you for your letter dated June 14, 1989. Enclosed you will find a copy of Keith Higginson's letter dated March 25, 1988 regarding the Extension process for Bureau of Reclamation filings and a letter dated April 22, 1988 from the U.S. Dept of Interior. These letters address the process for filing an Extension. If Watson Slough receives water from the Bureau of Reclamation, we ask that you complete and return our form #42-1409(10)-2 dated 4/88. This form is included for your convenience.

If, however, you do not receive water from the Bureau of Reclamation, then you will need to submit a new Request for Extension form #42-1409(10)-1, dated 5/89, also enclosed with this letter.

Thank you for your cooperation in this matter and for your diligence in pursuing this matter. If you have any questions, please call this office.

Yours truly,

David B. Shaw

Dear Sir,

This letter is being sent as a result of a recent conversation with Dani Smith of your office. I called to confirm your receipt of our request for an extension of filing date in conjunction with the Snake River Water Rights Adjudication. This request, submitted after the first of this year, was part of a blanket extension offered the Bureau of Reclamation (BOR) and those who's water rights are associated with BOR claims. The request for extension was submitted on behalf of the Watson Slough Ditch and Irrigation Companies.

During my conversation with Ms. Smith she indicated that office personnel recalled seeing the request, but that they were unable to locate it currently. She suggested I send a letter such as this one in order that our file contain some documentation of having submitted the request.

Please advise if this letter is inadequate for the above purpose, or if any additional verification is needed.

Sincerely,

Bill Hammond,
Secretary,
