The accompanying order or approved document is a "**Preliminary Order**" issued by the department pursuant to section 67-5243, Idaho Code. **It can and will become a final order without further action of the Department of Water Resources ("department") unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:**

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. **Note: the petition must be received by the department within this fourteen (14) day period.** The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

EXCEPTIONS AND BRIEFS

Within fourteen (14) days after: (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

> Unless a different date is stated in a final order, the order is effective fourteen (14) days after its service date if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:
>
> (a) The petition for reconsideration is disposed of; or
> (b) The petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

From: Benny Walker

Re: Summary of transfer

Application filed to modify a portion of the place of use for three Willow Creek water rights totaling 2.185 cfs that currently irrigate 126 acres located approximately 9.2 to 10.2 miles south and 1.0 to 1.4 miles east of the center of Burley (intersection of Main Street and Overland Ave). The new proposed place of use is located approximately 9.0 to 10.2 miles south and 1.4 to 1.7 miles east of the center of Burley.

This transfer application is a companion to transfer #82159 which moves the POU of rights 45-166B, 45-13623, and 45-4264 to the POU of 45-166A, 45-13631, and 45-13632. The purpose of the transfer is to shift a 38 acre portion to neighboring lands.

The place of use involved with the application is located within Water District 140 so watermaster comments will be solicited.

- **Authority to File:**
  Applicant is listed as current owner on IDWR records.

- **Water Right Validity:**
  The Willow Creek rights were decreed in 2008. Review of recent aerial photography indicates that these rights appears to have been used in recent years. Therefore forfeiture does not appear to be an issue.

- **Injury to Other Water Rights:**
  None anticipated. No change is proposed to the Point of diversion.

- **Enlargement of Use:**
  None anticipated. The proposed change in the places of use is a portion of the total authorized irrigated acres.

- **Local Public Interest:**
  No negative impacts anticipated. Application was subject to public notice and protest. No protests were received.

- **Beneficial Use/Conservation of Water Resources:**
  Proposed uses are recognized as beneficial uses of water

- **Effect on Economy of the Local Area:**
  None anticipated.

- **Effect of the Agricultural Base of the Local Area:**
  None anticipated.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
