Re: Statement

Sirs:

My name is Don Rolfe, I was employed by Monroc, Inc. between the years of January 1, 1950 and December 31, 1992.

During the years involved (Ready to Pour - I.E. Monroc) used a 25 HP pump, a 6" line, to pump approximately 1.5 to 2 cfs for the business of washing aggregate and batch plant water.

All excess water and wash water was pumped into a settling pond and returned to water table.

If you need any additional information, please feel free to contact me.

Thank you,

Don Rolfe
