RE: Water Right Claim Corrections

Dear Mr. and Mrs. Vance:

Some of the claimed information on the Water Right Notice of Claim you submitted to the Idaho Department of Water Resources (IDWR), 3/01/89, was inconsistent with the previously issued Water Right License No. 21-7040. The claimed items that differed from the license included, priority date, total flow rate, and acres irrigated.

I have enclosed an amended claim form with the previously licensed information. In order to correct the previously claimed information, you must sign the amended claim and return it to the IDWR. Your signature(s) must be notarized. If the claimed information is not amended to reflect the license, the IDWR will probably protest the claim in the future.

I have also enclosed a receipt for the filing fee paid and a copy of License No. 21-7040 for your information. If you have any questions, please call the IDWR at 1-525-7161.

Sincerely,

Tony Olenichak
Water Right Agent, SR
