TO WHOM IT MAY CONCERN:

Enclosed are two water rights the Church acquired and failed to file the adjudication papers. We were unaware of the Church's ownership at the time we filed all our other adjudication papers. The water rights were just recently brought to our attention. Also enclosed are the checks for the flat fees, acreage fee and late fee. We are also sending to you a Request for Extension of Time to File Adjudication Claims. Please let us know of any additional information needed for these filings.

We appreciate your patience in our behalf. We look forward to hearing from you.

Sincerely,
