RE: AMENDING A35-03020 AND ~~A25-02142~~

Dear Kent:

The enclosed Notices of Claim represent amendments to Notice 25-02142/35-03020. Please review them and if they appear to be in order, forward them for signature.

I have prepared two Notices, intended to divide License 25-02142/35-03020 so each Notice describes the portion of the right diverted in the respective basin. The combined diversion rates total 50.2 cfs, as licensed. The point of diversion for A35-03020 is well #6, which is not listed on A25-02142. Another change concerns the priority date. The initial Notice listed April 18, 1963. This has been changed to April 8, 1963 as listed on the License.

Please feel free to call if there are questions or concerns.

Respectfully submitted,

EC
