RE: Licenses 35-02881 & 35-02394 pursuant to memo of 10/26/88 by Dave Shaw.

The current owner of these licenses filed his adjudication claims with me on the first. In the process I found that these two licenses have been numbered in the wrong basin. They should be renumbered to basin 25. The property lies on the south and east side of the Snake River which puts it in basin 25.

Please let me know when the new numbers are assigned so I can update the adjudication data base.
