RE: Notice of Claim A25-07095

Department of Water Resources
Eastern District Office

Dear Claimant:

Enclosed please find an amended copy of A25-07095 in which the Department has made some changes regarding the filing of your Notice.

The Notice you submitted on June 8, 1989, indicates you may be filing on a commercial or industrial use. You have used the correct form but indicated one of the uses was for domestic purposes. Where an excess of 2500 gallons per day is used, commercial use must be indicated on the Notice.

The Department has amended your Notice to reflect commercial use in Item #6. The fees already paid remain the same, therefore, no other fees are necessary. However, any time a Notice is amended, it is necessary for the claimant to sign the Notice in the presence of a Notary Public. After you have signed the Notice, return it to this office by October 18, 1990.

Please do not hesitate to contact this office if you have any questions regarding this matter.

Respectfully submitted,

Ernest Carlsen
