To Whom it may concern:

This is to advise that
between the summer
of 1942 and the fall of
1945, George Meyer
built a fish pond just
below a spring in the
middle of his hayfield.

I can't be more specific
as to the exact date, but
there was no pond when
I worked for him in '42
and there was one when
the war was over in '45
and I came home.

Sincerely yours,
Wayne Rose

To whom it may concern:

In the summer of 1943 was the year George Meyer started to build his fish pond. The reason I can remember this is it was before I went into the Navy during the war and I went into the Navy in January of 1944 and it was the summer before I went in

RE: Evidence of Priority

Dear Marla:

The Notice of Claim identified with the numbes shown at the end of this letter has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates the water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed, at or on the place of use identified on the Notice. The date the water was first put to use, known as the priority date, has not been confirmed by a License, Decree, or Permit. For this reason, proof must be provided supporting the priority date.

For your reference I have provided a printout of your Notice and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. While I encourage you to read all of the pamphlet, I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date".

It is our goal to recommend this historical water rights within the Snake River Basin as accurately as possible. Field exams to verify other items of the Notice have been or soon will be conducted by Department personnel. But, the Department will not recommend the Notice be decreed by the court if no evidence of a priority date is submitted.

Please submit the required evidence supporting the priority date by **June 3, 1991**, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

All Notices required to submit this evidence are currently being reviewed for recommendation to the court. Hence, the need for expediency on your part or your agency. every effort should be made to submit this information within 30 days of the date of this letter.

Respectfully submitted,
