To Whom It may Concern

In talking to William Price who had owned the property the well is on, he told me he had been out to property years before he ever bought it and knew of the Williams family and then next Joe Conway owning it. So we know the well was there before 1930, but don't know of anyone else at this time who is still alive to verify anything earlier, will keep trying.

This well presently is for the house and to irrigate a little pasture

To Whom It May Concern:

Re property S.E. of Blackfoot known as the Huskey place when we bought it about 1959 or 1960.

I have been acquainted with that property since the time Joe Conway had it. Mr. Conway lambed sheep there and there was a well on that property at that time.

Before that, some people by the name of Williams lived there and lived in the "old farm house" on the hill. This house was located a long way from the river and any known water. They must have had a well but I don't remember any particulars.

EVIDENCE OF PRIORITY

Dear Claimant:

The Notice of Claim identified above and or below has been filed in the Snake River Basin Adjudication(SRBA). The notice indicates a water usage of irrigation, or other commercial application that is based on **BENEFICIAL USE**. Water rights of this type are established by the historical use of water, dating back to when the water was first used for the purpose claimed. This date is know as the **PRIORITY DATE**, has not been confimed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. **As the claimant, you are responsible for submitting the necessary proof to support the PRIORITY DATE.**

For your reference, I have provided a printout of your Notice of claim and the pamphlet **EVIDENCE OF PRIORITY**. The pamphlet suggests which documents will fulfill this requirement.

The IDWR can not recommend the notice be decreed by the court if no evidence of a priority date is submitted.

Please submit the documentation supporting the priority date by Feb. 1, 1995, referencing the information with the corresponding Water right number. If you have any questions, please contact this office.
