The undersigned hereby certifies that the well cited in Form No. A27-11040, Idaho Department of Water Resources, dated 10/27/94, was drilled as stated on the Adjudication Profile Report.

I was born on the property on August 4, 1918, and recollect helping to pump water from the well in question each day as soon as I was large enough to stand on a platform to reach the pump handle.

My earliest recollection was pumping water to my calf in 1925, each day before and after school.

To the best of my knowledge the well has been in use as specified since 1918.
