RE: SNAKE RIVER BASIN ADJUDICATION (SRBA)
NOTICES A29-00562 & A29-07352A

Dear Jay Dell:

In December 1989, an electronic record was generated in the IDWR adjudication database describing water rights 29-00562 and 29-07352A.

Though you were likely present when these records were created, the fees for the Notices of Claim numbered A29-00562 and A29-07352A were not paid, and consequently, the Notices were not filed. The enclosed forms represent the information recorded in December 1989.

These rights were also decreed in the Bancroft Lund Adjudication. However, that case was not affiliated with the SRBA and did not relieve the right holders from having to file Notices of Claim in the SRBA.

Should you decide to proceed with filing, simply sign the two enclosed forms before a Notary Public, and return them to this office, along with the filing fee of \$184.

Included in this figure is \$100 in late fees. You may request payment of the late fees be waived by submitting the enclosed "Extension of Time" form. If you request an extension, please hold your Notices until you receive an answer to your request. If your late fees are waived, you only need to submit \$84.

Respectfully submitted,

Ernest Carlsen
