RE: FILING NEW CLAIMS FOR ADDITIONAL HOMES

Dear Mr. and Mrs. Hildreth:

This mailing is to follow-up on our telephone conversation of May 26, 1998.

At that time, you requested that claims A29-10960 and A29-02285 be amended to reflect the addition of one home on each claim for a total of four homes. However, adding these homes would mean the priority dates for these claims would have to be changed to a later date, also.

An alternative to amending these claims is to file new claims on the third and fourth homes, which is the option you indicated you preferred.

Enclosed are two "Notice of Claim to a Water Right" forms and instructions. Copies of claims A29-10960 and A29-02285 are also enclosed for your convenience and assistance in filling out the new claims.

If you have further questions, please do not hesitate to contact our office.

Sincerely,

Jennifer Hoagland
Technical Records Specialist
