MEMORANDUM

Date: 1/31/01

From: Craig Saxton

Subject: 29-13143 and 29-13144

Back ground:

Two families have owned and operated the land covered under water right licenses 29-02292 and 29-02419. The Rupp's family and the Jensen Family. Adjudication claims were filed on these water rights by the Rupp's.

The Jensen family has part ownership of the land and now wants their names on the adjudication claims. The only way to add the Jensen's names to the claims filed by the Rupp's would be to have the Rupp's sent a letter to add the Jensen's names.

The Jensen's told me that there is some sort of tension and the Rupp's would not allow the Jensen's name to be added.

Result:

The Jensen's filed separate adjudication claims on the land in question. The Jensen's claims were filed exactly like the claims filed by the Rupp's. The intention of filing the claims is not to claim sole ownership of the water rights, but rather to ensure that their names are included as owners when the department makes it's recommendation to the court.

Fees:

Acreage fees paid by AJ claims 29-02292 and 29-02419. A notice of extension of time to avoid late fees was filed based on the fact that the Jensen's thought that their name was included on the original filing.
