- A comparison of the place of use between A29-~~04338~~ 02296 & A29-02611 & A29-07648 shows an overlap of 65 acres already paid for under M006172. Comparing ~~M006172~~ A29-02296 with A29-04338 shows a potential overlap of 59.6 acres. However in a telephone conversation with Don Zaring he indicated the overlap is ~~far~~ close to 20 acres, this is a reasonable figure when comparing the maps provided with each notice. The filing fee for ~~the~~ Notice A29-02296 is therefore 50⁰⁰ plus \$115⁰⁰ variable fee = 165⁰⁰.

RE: Overpayment or Filing Fees.

Dear Mr. Zaring:

The Notices of Claim for your domestic and stockwater uses along with irrigation and Check #1501 for \$277.00 have been received by the Department. Receipt E012114 has been issued to record payment of the filings and to reflect an overpayment.

A comparison review of the land listed under Notice A29-02296 revealed the variable fee had already been paid on 85 acres. For an explanation refer to the attached memo. Consequently, there was an overpayment of \$37.00.

Steps to refund this money have already been initiated. You should receive a check for that amount from our state office.

Also enclosed you will find a copy of A29-02296. This is being provided because of the apparent discrepancy in the place of use. It is my understanding, based on our telephone conversation, that the 65 acres in the N1/2SW1/4, Section 14 are own by Nancy Anderson and should be removed from your Notice. Please plan to take care of this matter in the near future.

If you wish to make an appointment to discuss the corrections or wish assistance, please call the IDWR at 525-7161.

Respectfully submitted,

Ernest Carlsen
