IN THE MATTER OF:

State of Idaho

County of Blaine

Gordon S. Loeble, Superintendent of Schools being first duly sworn,
deposes and says:

Murphy Valley, Joint School District # 21 drilled a well in August of 1956

for domestic and irrigation purposes for its new Senior High School.

The well has been used continuously since this time for the foregoing
purposes.

Andrew Well Drilling Contractors of Idaho Falls drilled the well at a

depth of 242 feet. The diameter of the hole was 12 inches. Although

the well is saturated with groundwater, it has an unpleasant taste and

odor. The only source of water at the present time, for the Senior
High School, is the well.
