EVIDENCE OF PRIORITY

Dear Claimant:

The Notice of Claim identified above and or below has been filed in the Snake River Basin Adjudication(SRBA). The notice indicates a water usage of irrigation, or other commercial application that is based on BENEFICIAL USE. Water rights of this type are established by the historical use of water, dating back to when the water was first used for the purpose claimed. This date is know as the PRIORITY DATE, has not been confimed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. As the claimant, you are responsible for submitting the necessary proof to support the PRIORITY DATE.

For your reference, I have provided a printout of your Notice of claim and the pamphlet EVIDENCE OF PRIORITY. The pamphlet suggests which documents will fulfill this requirement.

The IDWR can not recommend the notice be decreed by the court if no evidence of a priority date is submitted.

Please submit the documentation supporting the priority date by March 31, 1995, referencing the information with the corresponding Water right number. If you have any questions, please contact this office.
