AFFIDAVIT

To: Idaho Department of Water Resources
From: Robert W. Henderson, P.O. Box 15, Arimo, Idaho 83214, January 11, 1995
Regarding: Ajudication claim AJ5809NP, #A 29-04200

The home place of Henderson Ranches contains in excess of 1100 acres of land in T 10S, R37E, S7 and S18 and adjoining sections in R36E. Most of it is irrigated but some is dry farm land. Another irrigated part of the ranch lies in sections 25 and 26 in T9S, R36E. The irrigated parcels were acquired with water rights in separate parcels over a long period of time beginning in 1913 when my father and uncle purchased the first 360 acres and our family took up residence in the house in which I still live. I was nine years old at that time. The various water sources have been developed into an "extensive and complex system" mentioned in A29-04201. This system also includes water from shares owned in Arimo Ditch Company, an extension of Portneuf Irrigating Company.

Both irrigation and stock watering are indeed carried out on the same described locations which constitute parts of the irrigated portions of the ranch.

The springs described in the document under consideration lie in parcels purchased from Bill and Zina Hatch in 1945, from Jesse and Bertha Kelley in 1954, and the northern tip of the pond area purchased from Kenneth Capell in the late 1960s. The water from the pond and springs mixes and has been transported through a hill to the west by means of a ditch since before 1924. Zeb Gunter, owner at that time, and my father-in-law Thomas Charles Smith, whom he employed, built the ditch. Before that time for many years, the water was transported by a ditch which had been constructed around the north side of the hill. The water irrigates land west of that hill on both the east and west sides of Marsh Creek where it is carried by three pipes that cross the creek, 298 acres as stated in the original filing.

IN WITNESS WHEREOF, the party of the second part has hereunto set his hand.

Re: SRBA Claims - Henderson Ranches, Inc.

Dear Sir:

Enclosed please find copies of my previous letter dated April 3, 1990, and Receipt No. E012838, regarding the \$923 in filing fees paid by Henderson Ranches, Inc., relative to their SRBA claims.

Of the total fees paid, \$348 represented the \$1 per acre charge. As noted in the April 3 letter, we anticipated that Portneuf Irrigating Company and/or McCammon Ditch Company would be filing SRBA claims for their decreed water rights in the Portneuf River, including payment of the \$1 per acre fee. Our client has advised that these water companies did pay the \$1 per acre charge on the same land. Accordingly, Henderson Ranches, Inc., would request a partial refund of the \$1 per acre charge that has been double paid.

Thank you for your consideration.

Very truly yours,

RANDALL C. BUDGE

Re: SRBA Claims - Henderson Ranches, Inc.

Dear Sir:

With my letter of April 3, 1990, we submitted 13 domestic and 5 irrigation claims on behalf of Henderson Ranches, Inc. It has been brought to our attention that two minor mistakes were made.

On Claim No. A29-04203 under Paragraph 5, we indicated that the diversion pump was 2.5 horse power which should have read 25 horsepower due to a typographical error.

Additionally, on the following irrigation claims under Paragraph 13 we reflected that the land was also irrigated by 6.2 shares of Portneuf Irrigation Company stock. The correct number of shares should be changed from 6.2 to 5.58 on Claim Nos: A29-04202, A29-04200, and A-20-04201.

As attorneys for the Claimant, Henderson Ranches, Inc., we would respectfully instruct and authorize you to make these corrections on the claims submitted.

Very truly yours,

RANDALL C. BUDGE

Re: SRBA Claims - Henderson Ranches, Inc.

Dear Sir:

On behalf of Henderson Ranches, Inc., we are enclosing herewith for filing the original plus extra copy of seven domestic and four irrigation SRBA water right claims, together with Claimant's checks in the total sum of \$923.00 for filing fees calculated as follows:

\$325.00 - 13 domestic claims @ \$25.00 each
250.00 - 5 irrigation claims @ \$50.00 each
348.00 - 348 acres @ \$1.00 per acre

\$923.00 - Total

There is a total overlap of the irrigated acres reflected on each irrigation claim as three sources of water, from Marsh Creek and from three springs, is diverted into an extensive and complex system of ditches which combine to irrigate the described property.

Claimant also uses 6.2 shares of Portneuf Irrigating Company and 24 shares of McCammon Ditch Com. water stock to irrigate the same property. Those water companies have or are in the process of filing on their decreed water rights in the Portneuf River. To the extent one or both companies also pay the \$1.00 per acre fee, Henderson Ranches, Inc. would request consideration of a partial refund.
