POOR ORIGINAL

To Dept of Water Resources

Thomas Hatch originally Homesteaded this Farm & the neighbor farm & in 6/1/1881 he claimed a water right on ~~(later he sold the neighbor farm & the original filing is recorded on the neighbors Deed.)~~ He then sold the farm to his son Leander Hatch who in return split the farm & sold half to a neighbor & on the neighbors Deed the original water filing is recorded.

We sold the other half to my father. I have included a statement from him. The farm ground that was originally watered was by flood irrigation then in approximately 1950 my father and the neighbor bought a portable pump and 2 Hard lines and watered each others Farms then in 1969 we installed the present stationary pump. ~~There~~ Therefor this water has been put to beneficial use every since at least 1881

I do indeed use this water every year.
