Re: Claim 29-4307, 29-4311, 29-4334, 29-4489, 29-11312, 29-11313,
Snake River Basin Adjudication

Dear Water User(s):

We are now in the process of reviewing adjudication claims in Administrative Basin 29. Claim filing began a number of years ago, followed by several years of resolving legal issues. We are now in the process reviewing claims in order to make recommendations to the court.

For a long period of time in Idaho's history, a water right could be perfected by simply using water. Unless a dispute were resolved in court, there may never have been a paper record of a legitimate water right. In the 1970's or 1980's, many "statutory" claims were filed to record these existing unrecorded rights, but this process did not involve any investigation by the department. Claims were simply advertised, then recorded. When the adjudication commenced, new adjudication claims were filed, based upon the older statutory claims.

Your claims 29-4307, 29-4311, 29-4334, and 29-4489 fall in this class. Because of the nature of the statutory claims process and the adjudication claims process, these right has never been investigated nor verified by the department. Claims 29-11312 and 29-11313 are also claims for older unrecorded rights, but these did not have the intermediate statutory claim filing. I've enclosed copies of the adjudication claims and the older statutory claims, for your information.

In order to recommend these rights, I need you to supply "evidence of priority" and "evidence of beneficial use." The enclosed pamphlet describes some typical sources that may be used. If an affidavit is used, it must clearly show that the person making the affidavit personally observed the water use. The more detail the affidavit gives, indicating dates, circumstances, amounts and details of water use, the better. As I review the documentation provided, my standard will be:

The documentation should tend to indicate that diversion works were in place and had adequate capacity for the claimed use. The documentation should also tend to indicate that water was applied to the claimed beneficial use on the claimed place of use.

Please review these documents, and provide documentation of the historical use of these rights. Feel free to call me if you have questions. You should be able to reach me Thursday or Friday mornings.

Sincerely,

Bryce A. Contor
Senior Water Resource Agent

Dear Mr. Shaff:

RE: Appearance of J. R. Simplot in Subcase Nos. 36-13320 and 57-02203A

Dear Mr. Young and Mr. Uhling:

Enclosed I am returning your *Notice of Withdrawal of Counsel* which was received by the court on April 5, 1994, and which stated that Bruce L. Belzer was withdrawing as counsel for J. R. Simplot Company in the above-referenced subcases.

After a search of the files for the above subcase, I am unable to locate any appearance by Bruce L. Belzer. However, on January 28, 1994, a *Notice and Entry of Appearance* was filed on behalf of J. R. Simplot in these subcases. That notice listed Gray Young and Terry Uhling as counsel for J. R. Simplot.

Sincerely,
