Dear Mr. Carlson:

Please find enclosed an Affidavit from one of the original Charter Members of our Club. Our Club is a Member owned facility and therefore has many Members who donate time to the management and to the upkeep of our facility. Mr. Willecke is one such Member as you will see by his Affidavit.

Also, I am enclosing a copy of the activity on our oldest Idaho Power account. This account is for the Clubhouse facility and is still in use today. During the first ten years of the Club's existence (from 1950-51 on) water was pumped directly from the river onto the property. When our first well was drilled in 1960; the water was no longer pumped directly from the river. At that time the meter was removed from the river pump, and subsequently; Idaho Power no longer maintained the meter and has no current record on that particular meter or it's existence.

Also because of the Club's reorganization in 1985 (and subsequent name change to Juniper Hills Country Club) the latest records shown by Idaho Power on the meter at our current pump only go back to the early 1980s.

I hope that this information provides enough evidence to establish our priority date of 1952. If I can be of further assistance, please do not hesitate to contact either myself or Anna Capell at the above address.

Sincerely,

Board of Directors

Dear Mr. Carlson:

Please consider this my signed Affidavit verifying that I was a Charter Member of the original Pocatello Golf and Country Club (which was later to become what is now known as Juniper Hills Country Club); I served on the Board of Directors during the early 1960's. Also, through the years I worked directly with the Grounds Superintendents and had knowledge as well as personal observance of when and how the water was used.

To the best of my knowledge; about the years 1951-1952 was when the original water was used for irrigation purposes at the Club. At that time, water was pumped from the river onto the property of the Club and used for irrigation. In approximately 1960 the first well was drilled at the Club. Because of the well, water was no longer taken directly from the river.

I hope this Affidavit will suffice as supporting documentation in establishing the priority date as requested by you for the Club.

Sincerely,

Rudy Willecke

EVIDENCE OF PRIORITY

Dear Claimant:

The Notice of Claim identified above and or below has been filed in the Snake River Basin Adjudication(SRBA). The notice indicates a water usage of irrigation, or other commercial application that is based on **BENEFICIAL USE**. Water rights of this type are established by the historical use of water, dating back to when the water was first used for the purpose claimed. This date is know as the **PRIORITY DATE**, has not been confimed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. As the claimant, you are responsible for submitting the necessary proof to support the **PRIORITY DATE**.

For your reference, I have provided a printout of your Notice of claim and the pamphlet **EVIDENCE OF PRIORITY**. The pamphlet suggests which documents will fulfill this requirement.

The IDWR can not recommend the notice be decreed by the court if no evidence of a priority date is submitted.

Please submit the documentation supporting the priority date by March 31, 1995, referencing the information with the corresponding Water right number. If you have any questions, please contact this office.
