Dear Dave,

- ① I sent attached letter to Norm Young's office but they could not find the filing by the well driller. The strang thing is while I was serving my 20 year stint in the Idaho House of Representatives & when this adjudication process first started I went to Norm Young's office & I reviewed the well driller's filing. But they are not now able to find it. So I attached is:
- ② copy of my original deed 9-1-49
- ③ copy of power line easement to pump water & for household use, dated June 13, 1956
- ④ copy of tax payments 1950 shows no improvements but then 1957 shows improvements. I couldn't find 1956 tax notice. But improvements were the home constructed in 1956.
- ⑤ actually, the well was drilled in May 1956 & the power ran to it within 60 days. Power and water are essentials of a home.

I hope the forgoing documents will satisfy my water rights priority claim, if more is needed please advise.

Sincerely,
Ray E. Infanger

On this 28th day of March, 1995, before me, SARA L. JOHNSON a notary Public duly for said State, personally appeared Ray E. Infanger known to me to be the person whose name is subscribed to the forgoing instrument, & duly acknowledged to me, that he executed the same.

In witness whereof I have hereunto set my hand and affixed my official seal this day and year in this certificate written.

Dear Norm,

① The legal description of the property:

E $\frac{1}{2}$ of the NW $\frac{1}{4}$ of Sec 34
Twp 6 South Range 32 EBM
Power County, Idaho.

② The Well drillers name was:

Sterling } Sigman - a father/son team
Oscar }

③ year: early 1950's as I recall.
size of casing = 14"

④ I & my brother, Ben, bought the 160 acres
He took West $\frac{1}{2}$ & myself the East $\frac{1}{2}$. He drilled
it on the line so we both could use out of it.

⑤ Since Ben contacted the drillers they may have
filed it under his name. I can't remember that.

⑥ If there is a driller's log, I'd appreciate a
copy showing strata information.

Norm, I really appreciate this service.

Sincerely,

Ray Pfanger

EVIDENCE OF PRIORITY

Dear Claimant:

The Notice of Claim identified above and or below has been filed in the Snake River Basin Adjudication (SRBA). The notice indicates a water usage of irrigation, or other commercial application that is based on **BENEFICIAL USE**. Water rights of this type are established by the historical use of water, dating back to when the water was first used for the purpose claimed. This date is known as the **PRIORITY DATE**, has not been confirmed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. As the claimant, you are responsible for submitting the necessary proof to support the **PRIORITY DATE**.

For your reference, I have provided a printout of your Notice of claim and the pamphlet **EVIDENCE OF PRIORITY**. The pamphlet suggests which documents will fulfill this requirement.

The IDWR can not recommend the notice be decreed by the court if no evidence of a priority date is submitted.

Please submit the documentation supporting the priority date by March 31, 1995, referencing the information with the corresponding Water right number. If you have any questions, please contact this office.
