Attention Mr. Carter Fritchel

Hope this suffices to properly and legally register our claim to a water right. If there is an additional fee required, Mr. Hess assured me that the Association will take care of it. Thank you, Mr. Fritchel, for your prompt and courteous assistance.

RE: I had a telephone conversation with Donna Shuck on 4-24-90. At this time we discussed the filing of the additional claim (expansion of License 29-07142 by one home). She indicated that the home was added in the late 70's or early 80's. Apparently she decided to use the priority date of the license instead of the date she actually put the water to beneficial use as suggested in the phone conversation. This claim should be investigated as to priority date and quantity of water.

Dear Ms. Shuck:

This office has received the Notice of Claim to a Water Right you submitted in the SRBA for the additional house connected to the Space Acres Water Users water system. Because this is an additional water right, the \$25.00 filing fee is required.

You have entered the identification number of the claim filed by Space Acres Water Users on your claim. When the filing fee is received, the claim will be assigned a new identification number; at that time, you will be sent a copy for your files.

We will delay the processing of this claim for 30 days. Please return a copy of this letter with the \$25.00 filing fee to my attention on or before June 18, 1990 to avoid a late filing fee.

Sincerely,

*For the record, I want it noted that we are owners of an original share in Space Acres Water Association. However, somehow the Association has failed to record us as a member with the State (although we've always been carried on Association records and paid our monthly water bill, etc.).
