RE: Notice of Claim

Dear Mr. Olson:

The Idaho Department of Water Resources (IDWR) is returning your Notice(s) of Claim to a Water Right because of insufficient information and/or fees. Your checks (#163 \$157) (money market account \$1,100.00) are also enclosed. All items on the forms must be completed and fees submitted before the IDWR can process the notice(s).

Please correct the items identified below and return the notice(s) and filing fee(s) to the IDWR by June 9, 1990. If the corrected notice(s) are not returned by then, each notice will be subject to an additional late fee.

On the Notice reflecting license 29-7158, Item #2 must be completed. Records indicate this date is 10/10/1973.

The total amount claimed (cfs) must be entered in Item #7. This total amount is usually the sum of the amounts listed in Item #6. If only one purpose is claimed in Item #6, the amount would be the same in Item #7.

Based on 107 irrigated acres, the consumptive use in Item #8 would be $2.5 \times 107 = 267.5$ A.F..

Mr. Petersen's signature must be notarized in Item #16.

Dear Sir:

I have enclosed three water claims. One claim is for a well that waters 107 acres. This property is owned by Ralph Peterson. The other two claims are on 706 acres that is owned by the Oak Hills Partnership, with Ralph Peterson principal partner. There are two claims provided since one claim is for the waters of springs located on the farm along with Birch Creek and Lost Creek, and other water flowing from the canyon to the south of these two creeks. This canyon is not named. A claim also has been filed on groundwater on this property. Checks have been enclosed to cover the cost of filing these documents. However, I think Ralph Peterson has sent too much money since the one claim should only cost 706 dollars plus the filing fee since both claims cover the same property.

I farm both of these pieces of property and would appreciate it if there are any errors on the forms that the forms be sent to me for corrections since I have some of the supporting details of the water claims and a working knowledge of the rights and the property, and currently lease the property. We certainly want the claims to be properly filed. Ralph Peterson has been in Washington D.C. for some time causing me to be late in getting the forms to you. Please let me know if there are any problems with the claim forms or process or filing fee.

Sincerely,

Grant H. Olson
