Mr. Carlson,

I spoke with you on the phone a couple of weeks ago about the water right for my parents property, Leo B. Hurst at 7907 West Buckskin Road. They transferred the property to me on 12 March, 1993. I am currently the owner of that property.

I request that you transfer the water right to me.

You stated that I should mail you a copy of the warrantee deed. The people at the court house in Pocatello (Bannock County) provided me with a copy of the Quick Claim Deed, believing that this is the document you would need. I have enclosed with the Quick Claim Deed, a copy of the water right for the ground water. There is also a water right for the surface water. Please let me know if you need anything further to process this request. I can be reached at (208) 233-4690 extension 6530 during the day.

Thank you very much
