RE: Snake River Basin Adjudication Notices.

Dear Ms. Anderson:

Pursuant to our conversation, please find enclosed a completed notice of claim for license 29-07329 and a application for permit to cover the additional 24 acres of property that are irrigated from the county's well. Also enclosed is the County's warrant no. 1003440 in the amount of \$116.00. Since "proof of beneficial use" has not been submitted for permit 29-07712, it is not necessary to file a notice of claim for it at this time.

Please review the forms and when satisfied that all the uses are covered (domestic and stockwater uses are covered under 29-07712), have a county official sign the forms in the presence of a notary public and return them, with the appropriate fee, to our office. The filing fee for these forms follows:

One notice of claim for irrigation	=	\$50.00
Irrigation of 41 acres at \$1.00/acre	=	\$41.00
One Application for Permit	=	\$45.00
TOTAL		= \$136.00

Please return the claim within 30 days of this letter to avoid any late filing fee. As always, if you would like to discuss this matter further, please contact our office.

Sincerely,

Ernest Carlsen,
Water Rights Supervisor
