RE: City of Mc Cammon Water Rights

Dear Mayor Gunter:

The Idaho Department of Water Resources (IDWR) is returning the City's Notice of Claim to a Water Right because of insufficient information and/or fees. The City's check no. 2761 in the amount of \$25.00 is also enclosed. All items on the forms must be completed and fees submitted before the IDWR can process the notice.

Please correct the items identified below and return the notice(s) and filing fee(s) to the IDWR within 30 days of the date of this letter. If the corrected notice(s) are not returned within the 30 days, each notice will be subject to an additional late fee.

Research of our records indicates there are several water rights held by the City. A Notice of Claim in the Snake River Basin Adjudication (SRBA) should be filed for each of these rights that are still in use. The water rights that I have found in the City's name are: 29-00224, 29-07370, 29-07390 and 29-07834.

As a convenience to you I have enclosed typed copies of notices that cover these water rights. Please review each notice and when you are satisfied they cover the City's water uses, sign them in front of a Notary Public and return them to this office.

Permit 29-07834 is a recent filing for additional water. You do not need to submit a Notice of Claim for this use since "Proof of Beneficial Use" was filed after November, 1987.

You indicate on your notice that the City holds a July 1, 1892 water right from Crystal Springs. I could not find such a right in the City's name, but have found three rights with this priority listed under individuals names. I have enclosed copies of these rights for your information. If the City has obtained use of these rights, you need to prepare a notice for this use. Please base your notice on these rights and indicate which of them you are claiming. I have enclosed another notice that you may use for this purpose.

Filing fees for municipal water rights are \$50.00 per claim plus a variable fee of \$100.00/CFS claimed in item #6. In this case the filing fee is:

Three notices at \$50.00 each	=	\$150.00
Total of 0.9 CFS at \$100.00/CFS	=	\$90.00
TOTAL	=	<u>\$240.00</u>

If you submit an additional notice for the 1892 water, add \$50.00 plus the variable fee to the total due.

If you wish to make an appointment to discuss the corrections, please call the IDWR at (208) 525-7161.

Respectfully submitted,

Ernest Carlsten
