RE: Snake River Basin (SRBA) Adjudication Claim, R29-11083

Dear Mr. Parks:

The Department of Water Resources, Eastern Region, has begun review of adjudication water right claims in your area. Initial review of the claim, shown above, tends to indicate that either there was no beneficial use found or that ownership could not be confirmed. As a result, these claims are being recommended for disallowal.

Your adjudication claim is recommended for disallowal because:

- _____ 1.) No Beneficial use was found.
- _____ 2.) Ownership was not confirmed.
- X 3.) Other, NO DOMESTIC USE - PETR CONTRACTOR
6/23/93

If you feel your adjudication claim is well-founded and can provide supporting evidence of either beneficial use and/or ownership, or, other, as indicated above, please provide supporting documentation by December 15, 1997. It is our goal to favorably recommend these historic water rights to the SRBA court.

Thank you for your attention in this matter. If you should have questions regarding your claims please feel free to contact this office at the above telephone number.

Respectfully submitted,

Ernest M. Carlsen
Adjudication Supervisor
