In regard to your notice of claim of evidence of priority date. I was unable to come up with legal documentation to verify my original claim of 1936. What I was basing my claim on was information I had received from one of my neighbors. He (Glen Benton) told me that the house was built in 1936 and the well was hand dug at the same time by Mr. Bill Fatter his brother in law. Mr. Fatter also lived in the house for a period of time after building it.

Below you will find Mr. Benton's signature as proof of this information.
