Subject: Change of Ownership for 29-07410 and 29-10783 and priority date for 29-10783

Spoke with Gordon Lawlor. He confirmed that he is the new owner of the Woodward property and the cooresponding water rights.

We discussed two main topics:

- 1) Change of ownership: He will fill out the Change of ownership form and return it to this office with the \$25 dollar fee for the Decreed right.
- 2) Evidence of Priority. The land was originally owned by the Andersons. Gordon feels he can get an affidavit from the Andersons putting his priority date back before 1971. He will get the information and call and make an appointment to meet with me in the office.

RE: CHANGE IN OWNERSHIP FOR 29-07410, 29-04051 AND PRIORITY EVIDENCE
FOR 29-04051

Dear Mr. & Mrs. Lawlor:

The Idaho Department of Water Resources has recently begun its water right review in Basin 29. During my initial review, it has come to my attention that you may have recently purchased the tract of land in Bannock County that is described in adjudication claim 29-10783 and decreed right 29-07410. The property to which I am referring was most recently owned by John & Gracie Woodward. The legal description is as follows:

T06S R35E S20 SW1/4 NW1/4

This property was filed on in the Snake River Basin Adjudication (SRBA), and if, in fact, you now own the property in question, you need to file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to my attention along with a "copy" of your Warranty Deed and legal description of the property you have purchased.

There is a \$25.00 filing fee to change ownership for the decreed right 29-07410.

In addition, the priority date claimed for 29-10783 was July 12, 1974. This date conflicts with Idaho Code 42-210, concerning the appropriation of surface water. Water uses developed from a surface water source after May 20, 1971 requires filing an application for Permit. If you can provide evidence of use prior to May 20, 1971 we can amend the claim to represent an earlier priority date. If not, then you may submit an Application for Permit. An application form is enclosed with instructions for your use in this matter. We will be happy to proceed with processing the application if you will return the completed forms to our office with the appropriate filing fee.

Please do not hesitate to contact me at 525-7161 if you have any questions.

Respectfully submitted,

**Craig L. Saxton
