Regarding: A29-11079, Della F. Johnson

Dear Sir,

Your letter of January 3, 1995 requesting Evidence of Priority for water rights.

My deceased husband, A.M. Johnson, moved onto this property Circa 1937. In 1938 he dug the well and put in a pump. The water from the well was used for household and external use, like garden area, barnyard area for sheep and/or cattle during the winter. The water we used from Mink Creek was for irrigation of fields.

The well is still in use and the water used is for the house, barnyard for cattle and gardening.

To the best of my knowledge the above is a true statement.

Your Truly.

Della F. Johnson
