Concerning the water right number A29-11772:

I, Florence Evans Brown, lived in a house directly across the street from the parcel of property owned now by Vic L. Baker. We moved into this house in April, 1946. My Father Ed Evans bought a 40 acre parcel that was adjacent to the parcel now owned by Vic Baker in 1947. He rented the Baker parcel from then on for the pasture, which he used Rapid Creek water to irrigate with during high water and also to water cattle and horses through the year. I know from personal knowledge that this property has been used in this way with access to Rapid Creek since that time and I have lived in this area all of my life even though it has had many owners since that time.
