Dear Mr. Lish:

The Idaho Department of Water Resources (IDWR) is returning your Notice of Claim to a Water Right because of insufficient information and/or fees. Your check #3504 in the amount of \$25.00 is also enclosed. All items on the forms must be completed and fees submitted before the IDWR can process the notice.

Please correct the items identified below and return the notice and filing fee to the IDWR within 30 days of the date of this letter. If the corrected notice is not returned within the 30 days, the notice will be subject to an additional late fee.

The cfs amount claimed for the domestic and/or stock purposes must be entered in Item #6. The typical amount for one house with up to 1/2-acre of lawn and garden irrigation is 0.04 cfs. Refer to the enclosed Table 1 for the stockwater diversion rates if you are claiming water for stock.

The total amount claimed (cfs) must be entered in Item #7. This total amount is usually the sum of the amounts listed in Item #6. If only one purpose is claimed in Item #6, the amount would be the same in Item #7.

Your signature(s) must be notarized in Item #16. If more than one claimant is listed in Item #1, and the names have an "and" between them, the signatures of all the claimants must be notarized. If the names have "or" or an "and/or" between them, only one notarized signature is required in Item #16.
