EVIDENCE OF PRIORITY

Dear Claimant:

The Notice of Claim identified above and or below has been filed in the Snake River Basin Adjudication(SRBA). The notice indicates a water usage of irrigation, or other commercial application that is based on **BENEFICIAL USE**. Water rights of this type are established by the historical use of water, dating back to when the water was first used for the purpose claimed. This date is know as the **PRIORITY DATE**, has not been confimed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. As the claimant, you are responsible for submitting the necessary proof to support the **PRIORITY DATE**.

For your reference, I have provided a printout of your Notice of claim and the pamphlet **EVIDENCE OF PRIORITY**. The pamphlet suggests which documents will fulfill this requirement.

The IDWR can not recommend the notice be decreed by the court if no evidence of a priority date is submitted.

Please submit the documentation supporting the priority date by March 31, 1995, referencing the information with the corresponding Water right number. If you have any questions, please contact this office.

Dear Mrs. Taysom:

Enclosed is your check (no. 1424) for \$103.00 and a computer generated Notice. I have highlighted all the areas where changes or corrections were made by the Department. If you agree with the information printed out, please sign the notice in the presence of a Notary Public and return the Notice and your check for \$103 back to this office to my attention. RE: Snake River Basin Adjudication (SRBA) - Bannock County

Dear Ms. Taysom:

I am returning your Request for Extension of Time to File Adjudication Claim(s) dated July 16, 1990 for your property in Bannock County with no action taken.

I have made repeated unsuccessful attempts to contact you by telephone, to clarify what arrangements were made with the postal service for mail received at your address during the month of January 1990 when we served Bannock County property owners SRBA Commencement Notices.

If you would please furnish me with the above information and any other pertinent information regarding why the Notice of Claim was not filed during the filing period in your county (1/18/90 through 4/19/90) and return to this office, I will be able to make a decision on this matter.

Yours truly,

David B. Shaw
