RE: Notice of Claim #A29-12261.

Dear Mr. Wilson:

After the initial review of the Notice of Claim mentioned above we have found that the claim cannot be accepted because of insufficient fees and information. I have enclosed a copy of the claim as it was originally claimed and a new form that may be used to complete all aspects of the claim. I have highlighted all of the Items that need to be completed before the claim can be accepted by the department.

Also, information on the notice indicates you are claiming irrigation of more than 1/2 acre. The \$25.00 filing fee you originally conveyed is limited to residential stock water and/or domestic rights with up to 1/2 acre of irrigation.

To claim irrigation of more than 1/2 acre, you must use form #42-1409(2) enclosed and pay the additional fee for irrigation. Please complete the enclosed form, sign it, having your signature notarized and return it to this office with the filing fee.

The filing fee is ³ \$50.00 plus \$1.00 per acre: in this case \$52.00. Taking into account the \$25.00 already paid, simply submit a check or money order for the balance due (\$27.00).

Please do not hesitate to contact this office if you have any questions regarding this matter.

Respectfully,

Gregory J. Taylor
