Statement of Owner:

My name is Lamond J. Bailey, 7070 Running Iron Lane Pocatello, Idaho 83204. My wife and I purchased this property from R.A. Lyman and George C. Welch in February 1960. Legal Description is T.S. 06S, Range 33EBM, Section 17, N1/2 of NW 1/4. Total land irrigated under this claim is 84 acres according to the Power County ASC office. The irrigation system consists of a 40hp Fairbanks Morse pump, 6 inch buried main line, and four separate sprinkler lines. Each line has 35 sprinkler heads with 5/32 nozzles @ 5.4 gpm for each nozzle. This dispenses between 750 to 800 gpm. This same system has been in use since 1957 and I have operated and irrigated this 84 acres since 1960 to the present time. Crops irrigated are potatoes, wheat, barley, hay, and peas. This system has been in operation every year since 1957.

Grover F. Noble

Pocatello, Idaho 83201

My name is Grover F. Noble and the subject irrigated property belongs to my mother, Lillian Bailey and my step-father Lamond J. Bailey. My home is adjacent to their farm. After my parents purchased this farm I worked and moved sprinkler pipe on this property for several years. Later my two boys also moved the sprinkler lines. My parents water system has been in constance use since they purchased the property from a Mr. R.A. Lyman and Mr. George C. Welch in 1960. I remember the 4 1/4 mile lines very well. We irrigated 84 acres with a 40hp Fairbanks Morse pump. The mainline has always been buried. Idaho Power furnishes the electricity for the system. At the present time I am not involved with the operation of the farm. My folks have operated and irrigated their farm every year since they purchased it. The farm has been irrigated continuously since 1957.
