To whom it may concern

Feb. 18, 1998

My name is Alton E Smith. My birth date is Dec. 1, 1930. My Father is Clinton E Smith and his birth date is July 9, 1906. My Grandfather was Joseph O Smith his birth date was May 22, 1875.

This is to certify that I and my Grandfather had use of water from a spring, we called "Armo Spring" that flows from the property of Wilson & Merle Toppetts in Arimo.

This water flows through a plastic pipe of about 2" or 2.5" Diameter and the water flows year round. It terminates at a faucet located on the property now owned by Clifford and Melane Kent and another faucet on the property now owned by James L & Arlene Burnham.

My understanding is that my grandfather (Joseph O Smith) and Mr Tippetts (Wilson Tippetts) father and Less Preslar piped the water to the three houses in about 1919 to have running water in there homes. I remember the water tanks back of the wood stoves. And when Arimo put in the city water system the spring water was taken out of the houses and the spring water was used for watering live stock and gardens and lawns.

When the old pipes rusted out I put in the plastic pipes to the out side taps. Clinton E Smith got the Preslar home now owned by Clifford and Melanie Kent. James L and Arlene Burnham now owns the property that grandpa Smith and I had.

I used faucet to water livestock and a small pasture and garden area. Total flow was about 15 gallons per minute and 5 gallon per min. At my place.

This is a true and accurate accounting to the best of my knowledge.
