Re: Splits of Adjudication Claim 29-7157

Dear Mr. and Mrs. Isaak:

Enclosed are copies of the water rights that have been split from your original license 29-7157, with a map showing the lands associated with each split. Please review carefully the division of lands between yourselves and Jonathan Isaak, and let me know if it needs to be adjusted.

Split 29-13156 is the portion that will remain in your name. Allan Andersen will receive split 29-13157. Until the transfer is complete, your name appears as "current owner," and his as "transfer applicant." Bill Isaak will receive split 29-13158 and Jonathan Isaak will receive 29-13159.

To aid in claims review, it would help me if you could go to the Farm Service Agency office and get me a photo that shows what was irrigated in 1987. It is important that the FSA staff write on the photo that it represents 1987 crop usage, stamp it with an FSA stamp, and sign it. To protect your privacy, FSA has decided not to give us access to these photos any more, so the monkey is on your back.

I may also need to do a field inspection, if so I'll contact you so you may come with me if you wish.

Please call me at 525-7161 if you have concerns or questions. Later in the week is usually better than earlier.

Sincerely,

Bryce A. Contor
