Re: Adjudication Claim 29-7157, 29-13159

Dear Mr. Isaak:

We have processed your Notice of Change of Ownership for a portion of right 29-7157, originally owned by LaMar and Violet Isaak. The enclosed map and printout show your portion of the claim, which has been numbered 29-13159. Please review this carefully, especially the locations of the lands assigned to you and the lands assigned to Mr. and Mrs. Isaak.

Later this summer I will be reviewing this claim to make recommendations to the court. At that time I may have further questions, and contact you again.

Please note that this change only addresses the *ownership* of the water right. The point of diversion, place of use, and nature of use of the right are unchanged. If you wish to use this water right at a different location, you will need to apply for a formal transfer. This can be done at this office.

Please contact me if you have concerns or questions.

Sincerely,

A handwritten signature in cursive script that reads 'Bryce A. Contor'. The signature is written in dark ink and is positioned above the printed name and title.

Re: Splits of Adjudication Claim 29-7157

Dear Mr. and Mrs. Isaak:

Enclosed are copies of the water rights that have been split from your original license 29-7157, with a map showing the lands associated with each split. Please review carefully the division of lands between yourselves and Jonathan Isaak, and let me know if it needs to be adjusted.

Split 29-13156 is the portion that will remain in your name. Allan Andersen will receive split 29-13157. Until the transfer is complete, your name appears as "current owner," and his as "transfer applicant." Bill Isaak will receive split 29-13158 and Jonathan Isaak will receive 29-13159.

To aid in claims review, it would help me if you could go to the Farm Service Agency office and get me a photo that shows what was irrigated in 1987. It is important that the FSA staff write on the photo that it represents 1987 crop usage, stamp it with an FSA stamp, and sign it. To protect your privacy, FSA has decided not to give us access to these photos any more, so the monkey is on your back.

I may also need to do a field inspection, if so I'll contact you so you may come with me if you wish.

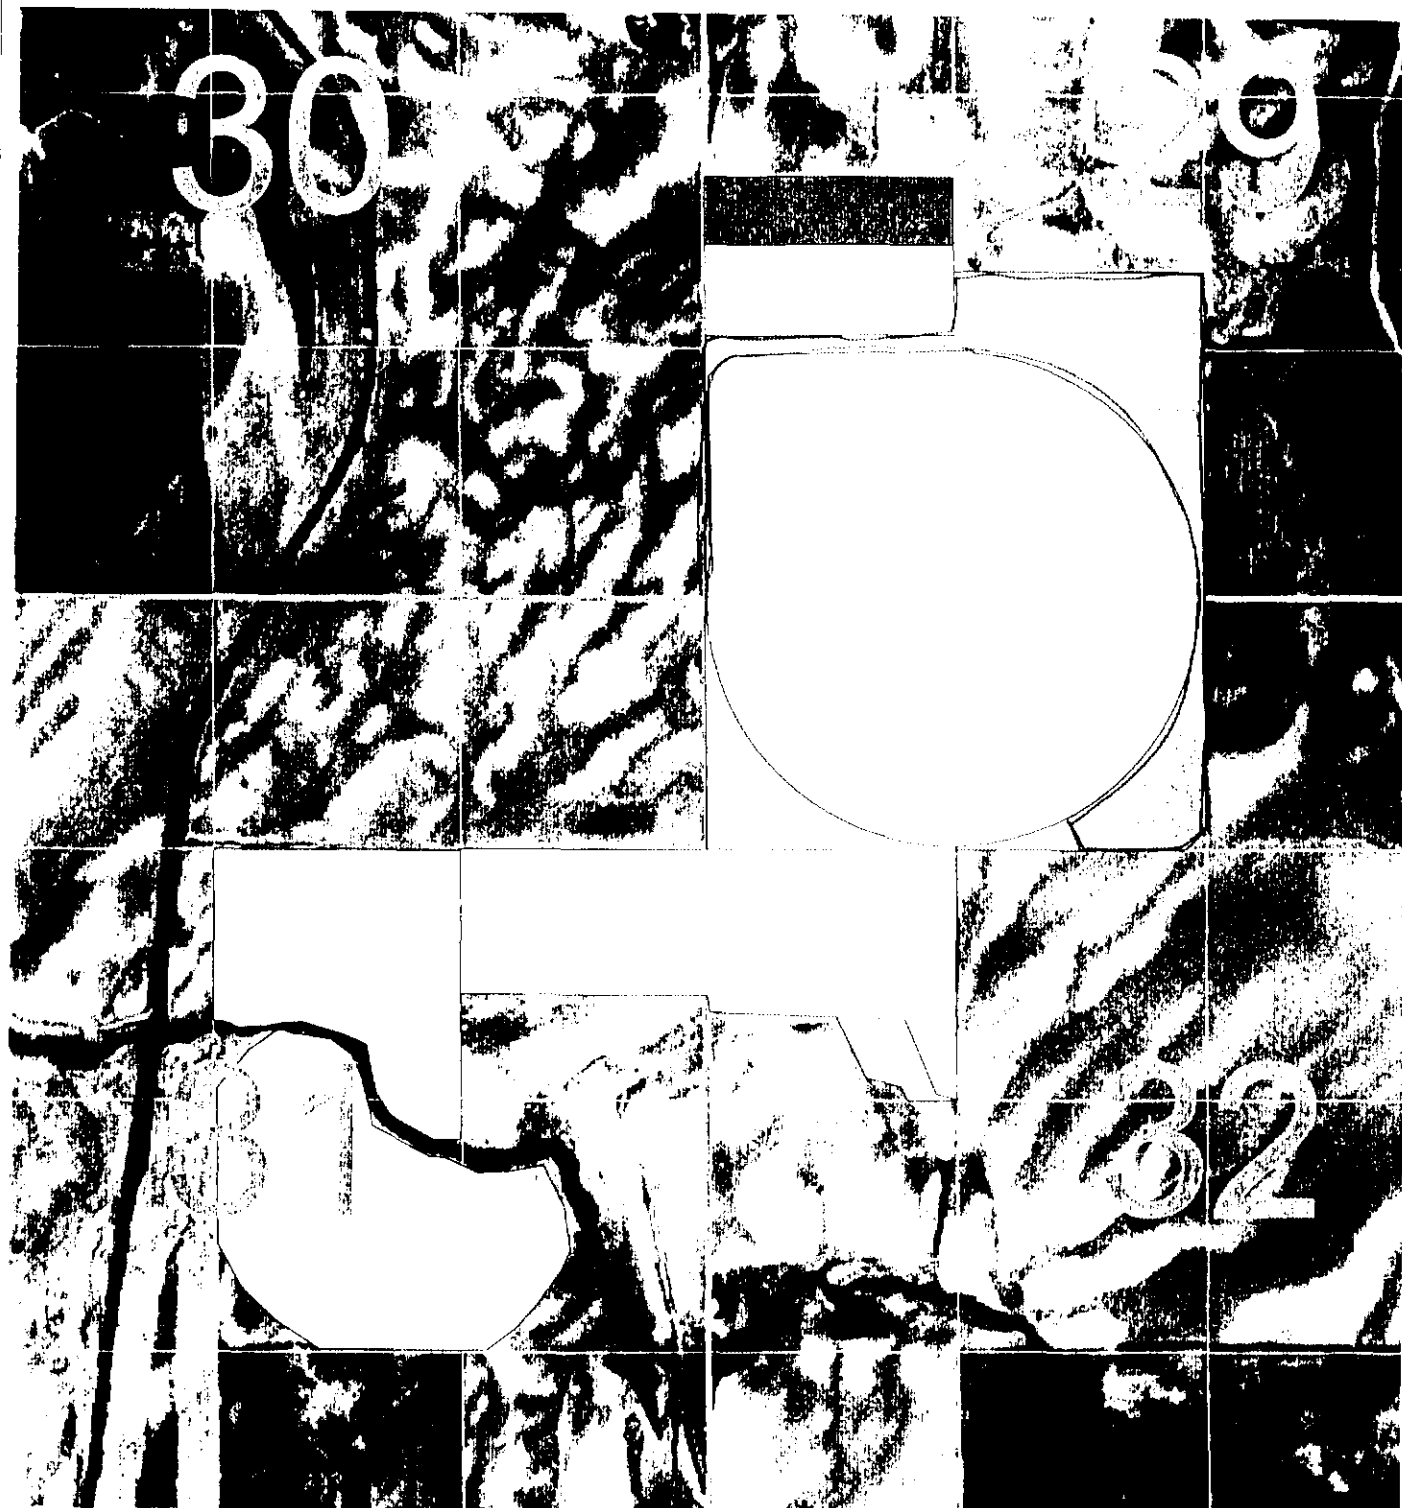

Please call me at 525-7161 if you have concerns or questions. Later in the week is usually better than earlier.

Sincerely,

Bryce A. Contor
