Dear Mr. Brown:

In response to your September 26, 1994 letter our office has changed the electronic record for the above listed Snake River Basin Adjudication (SRBA) claims. Please find enclosed copies of proof reports for these changed records.

Your letter requested we also change A36-15131. Since your letter indicated that only Kenneth & Jennifer Mulberry, Ken Mulberry Enterprises or Mulberry Enterprises property was mortgaged, this change was not made since the claim is in the name of "Russet Valley Produce" and/or "Russet Valley Produce Profit Sharing".

Your letter also seemed to request changes to several Twin Falls Canal Co. stock certificates. Since our department does not deal with these records I recommend you contact the Twin Falls Canal Co. directly.

In checking our database I found three other SRBA claims (A47-12694, A47-12721 & A47-10012) in the name of "Ken Mulberry Enterprises". Please find listings of these records for your review. Please note that since these claims were not specifically listed in your "Exhibit B" these records were not changed either.

If you have questions please feel free to contact our office.

Sincerely,

Allen Merritt

RE: Evidence of Priority

Dear Claimant:

* RESPONSE DEADLINE *

* MARCH 15, 1995 *

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Clarence R. Heath

being first duly sworn,

deposes and says: I started farming in 1930. I have used this water ever since. I bought 120 Acres back of my place, put in a pipeline running through my place and through the farm and I watered 160 acres along the East side of Section 6, Township 10 South, Range 18 East B.M.. I put it into pasture and grazed the 60 head of milk cows and 35 head of young stock that I owned.

There is about one mile of open ditch to get to alot of the ground. The ditch takes a lot of water through sepage by the time you get to the Canyon Rim you lose alot of water. It takes more water on sagebrush ground than ordinary ground.

There is a lot of wast water coming off and on; but it comes in spurts and is not a constant flow. So we tried to spread it accross as much land as possible when it was available.
