Evidence of Priority

To Whom It May Concern:

This will attest to the fact That I am personally aware of the beneficial water use outlined in the above mentioned claim profile report. My family and I have resided in the City of Buhl since 1941 and in the City of Castleford for a time prior to 1941. I can personally attest to the water usage for stockwater use and commercial requirements since 1940.

The type of use for this groundwater includes irrigation for a two acre pasture, stockwater for two horses, and toilet and drinking facilities at the business being operated at the address these water rights are assigned to.

Any previous owners of this property are either deceased or their whereabouts are unknown.

If this affidavit is not sufficient to be used as evidence of priority, we would ask that you notify us at your earliest convenience with a listing of requirements.

Sincerely,

Loy Spradling

RE: Evidence of Priority

* RESPONSE DEADLINE *
* MARCH 15, 1995 *

Dear Claimant:

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

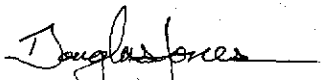

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,
