DOUGLAS MATHERS

CAMEIN

RE:

AMENDED CLAIM

HE AND HIS MOTHER CAME IN TO FOLLOW UP ON THE EVIDENCE OF PRIORITY REQUEST AND AFTER DESCRIBING THE USES AND DIVERSIONS OF THEIR WATER RIGHT, AMENDED THE CLAIM TO REFLECT MORE ACCURATE DESCRIPTIONS. WILL TRY TO GET AFFIDAVITS FROM THE NEIGHBORS ON THE DATES OF USE. THEY BELIEVED THE TFCC TURNED OVER THE MAINTENANCE OF THE SEEP TUNNELS TO THE LAND OWNER IN 1965 AS THE PRIORITY DATE SHOWS, BUT THE USE MAY PRE-DATE 1965.

HE CHECKED TO RECEIVE THE DOCKET SHEET ON THE AMENDED CLAIM FORM... I EXPLAINED THIS HAS NOW BEEN TURNED OVER TO THE SRBA COURT AND HE SHOULD GO THERE TO ORDER AND PAY FOR THE SUBSCRIPTION.

CONVERSATION MEMORANDUM

NAME OF PARTY Lottie Mathers
EMPLOYEE: Jeanie RobertsonDATE 2/2/95
FILE A47-10672RE: Evidence of Priority

She brought in a letter from Elko Power stating when they had put in a power line on her property to a pump. The legal description didn't seem to match the place of use on the claim and the claim talked about seepage and standpipes - not pumps. I suggested she talk to her son, who farms the place, and see how those 29 acres in the NEWE of Section 29 are irrigated. See if they use a pump or what. She said there is another pump in that quarter quarter, but the water is now pumped onto land in the SESE of Section 20 - onto someone else's property. Told her that may require a transfer... Gave her some affidavit forms for a neighbor who may be able to verify how the acres are irrigated and since when...

(2/8/95) Mrs. Mathers called again and said that Elko Power had sent her another letter stating when they put a power line into the NENE of Section 29. It shows this happened in 1958 instead of the claimed priority of 1965. Told her to send it in and still encouraged her to try to get an affidavit from her neighbor.

RE: Evidence of Priority

* RESPONSE DEADLINE *
* MARCH 15, 1995 *

Dear Claimant:

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant supporting the priority date claimed.**

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

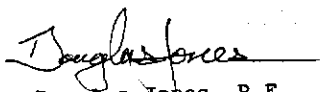

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

January 10, 1995
page 2

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Douglas Jones, P.E.
Water Rights Supervisor
