Issued by

FIRST AMERICAN TITLE INSURANCE COMPANY

The Company insures the owner of the indebtedness insured by the insured mortgage against loss or damage sustained by reason of:

1. The invalidity or unenforceability of the lien of the insured mortgage resulting from the provisions therein which provide for changes in the rate of interest.
2. Loss of priority of the lien of the insured mortgage as security for the unpaid principal balance of the loan, together with interest as changed in accordance with the provisions of the insured mortgage, which loss of priority is caused by the changes in the rate of interest.

"Changes in the rate of interest", as used in this endorsement, shall mean only those changes in the rate of interest calculated pursuant to the formula provided in the insured mortgage at Date of Policy.

This endorsement does not insure against loss or damage based upon (a) usury, or (b) consumer credit protection or truth in lending law.

This endorsement is made a part of the policy and is subject to all of the terms and provisions thereof and of any prior endorsements thereto, except that the insurance afforded by this endorsement is not subject to Section 3(d) of the Exclusions From Coverage. Except to the extent expressly stated, it neither modifies any of the terms and provisions of the policy and any prior endorsements, nor does it extend the effective date of the policy and any prior endorsements, nor does it increase the face amount thereof.

RE: Evidence of Priority

* RESPONSE DEADLINE *
* MARCH 15, 1995 *

Dear Claimant:

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

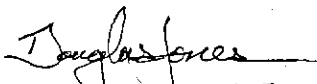

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Douglas Jones, P.E.
