Dear Sirs:

The Reed family moved to this place in 1936.
During World War II, Howard Reed bought the East 40
acres, making this farm 120 acres. I came here
in 1931. I am familiar with the irrigating process
on this farm, as I have worked on it. We still
get the water from the same laterals & Gates we
always have. Namely - Gate 6, Lateral 11 Eastern
Gate 1, Lateral 15 Western
- TH 6 " 13 West & East
This is from waste water
Most waste water can be
transferred.

The pastures are still used for cattle.

Howard Reed passed away on Nov. 4, 1993

Sincerely,
Margaret Reed

TO WHOM IT MAY CONERN:

I have been familiar with the Reed farm since 1960 and have actively farmed the farm since the early 1970's.

Howard Reed is gone now but in the many talks we had over the years, I know that his family moved on that place in 1926.

The farm was originally an 80 acres, but they purchased the 40 acre parcel on the east end of the place in the early 1940's.

In talking with Howard and from farming the place I can see no other practical way to water the farm than the diversions that are in now and have been there apparently since the start of the irrigation systems in the area in the early 1900's.

RE: Evidence of Priority

Dear Claimant:

* RESPONSE DEADLINE *
* MARCH 15, 1995 *

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

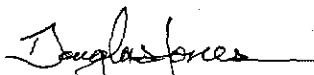

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

January 10, 1995
page 2

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Douglas Jones, P.E.
