Clover Lutherans to celebrate 75th anniversary of church

by Kim Wuebbenhorst

The congregation of Clover Trinity Lutheran Church will celebrate its 75th anniversary August 17 through 19. The history of the church began with the first people who settled the Clover tract, located southeast of Buhl.

In the early 1900's, Harley Hooker of Highline Seed Co. went to Nebraska to try to convince people to move to Idaho. He told the people that the area was a desert, but if they put water on the land, "it would bloom like a garden."

A few men were interested in the land Hooker told them about and decided to see it for themselves. They traveled to the Clover area and soon decided to move there. The men went back to Nebraska and returned to the Clover area with their livestock and machinery. Their families moved to Idaho shortly after them, traveling by train.

The families first lived in an existing hotel in Clover but soon put up tents. As soon as the men could, they built a granary, which the families lived in for about a year until permanent homes were built.

Hooker donated a six-acre tract of land to the new settlers to build a church. The land is the present site of Clover's church, school and cemetery.

On March 22, 1915, a congregation was organized. Pete Krueger, Carl Lierman, Amil Lierman, Robert Lierman, Pete Pabst, Louis Schroeder, and Fred Wegener signed the church constitution.

The uppermost project in the minds of the new settlers was building a parochial school, which they did soon after moving to the Clover area. The settlers held church services in the school until August 1918 when the new church was dedicated.

Reverend Dannenfeldt was Clover's first pastor. He served the congregation from 1926 until his death in 1951.

Since the dedication of the church, the congregation has made several additions. In 1940 they purchased a pipe organ.

In 1946 the congregation decided it needed a school bus because the school was growing rapidly. Martin Kniep bought the first bus and drove it for eight years with his wife Rufina. In 1954, the congregation bought their own bus.

In 1986 the group decided to put stained glass windows in the church. Gail Meyer did all the artwork. Members of the congregation volunteered the labor, and Jim Beikman supervised the project. A member of the congregation donated the funds for the windows.

The congregation has also put a new

carpet in the church, laid a new foundation, and built a ramp for the handicapped. This fall the church will get new steel siding.

Reverend Robert Merz is the present pastor of the Clover congregation.

The anniversary celebration activities will begin on Friday, August 17 at 8:30 p.m. with a bonfire, watermelon feed and songfest.

Saturday, August 18 will be "Farmday" with activities such as slow and

fast tractor races, siphon setting and a back-up contest. Farmday activities will begin at 1 p.m.

On Sunday, a service will be held with guest speaker Rev. Tom Johnson. After the service will be a pit barbecue, a parade, recognition of charter and oldest members, a museum and style show, and speaker John Lutz.

More details of the anniversary celebration will be given in August.

law, approve a permit Monday night to allow a salesman to go door to door to sell books, but it may look at changes in the ordinance as a result.

Morgan Maize, a Pennsylvania State University student, was allowed to sell books published by Southwest Company in Nashville Tennessee, but only after the Police Department ran a check on him and the company. The permit became effective at 10 a.m. Tuesday morning. He wanted to sell his material that very night.

RE: Evidence of Priority

* RESPONSE DEADLINE *
* MARCH 15, 1995 *

Dear Claimant:

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant supporting the priority date claimed.**

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

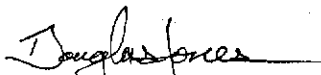

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

January 10, 1995

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Douglas Jones, P.E.
Water Rights Supervisor
