SUBJECT: AMENDMENT OF A47-12960 AND A47-11707

phone call (.) walk-in (X)

They amended A47-12960 to add the existing dairy to the claim. The original claim was filed by the tenant for domestic only. They did not originally realize that the dairy was not covered. We discussed evidence of priority for this claim and they indicated that they were working on it.

They also amended A47-11707 to remove the dairy that was claimed on the property as it does not exist. There is a horse stable on the property capable of handling 35 head.

Re: Ownership Change for Adjudication Claim #A47-12960 -
LOTT/BOWERS

Dear Claimant(s):

Pursuant to notification that you presently own the property in which the above referenced Adjudication Claim is appurtenant, the Department has changed the record of the current owner as you requested. Please find enclosed a copy of the computer record of the claim noting the change in claimant.

Please review the record and if you have any corrections or questions, please feel free to call this office. It seemed by your note that you may want to change the claim to 318 cows /Dairy. That kind of change would require an amendment to your claim. Since the agents are in the field this time of year, I would suggest you call for an appointment with one of them, as you will need to have the amended claim notarized.

Sincerely,

Jeanie Robertson

SUBJECT: evidence of priority FOR A47-12960 AND A47-11707
phone call (X) walk-in (.)

We discussed the requirements for evidence of priority as it relates to the two above claims. She intends on coming in next week to possibly amend A47-12960 from a domestic right to a commercial right as apparently there is a 300+ dairy associated with the well.
